

TIME TO CHANGE THE GAME

GAME CHANGER™ | BOOTHS

The fully enclosed Focus Booth offers individuals solitude in a busy work environment. Perfect for those private conversations and one-on-one meetings. Acoustic foam ensures that the booth is insulated and private. The booth has a full length glass door, internal lighting and temperature control. The focus booth offers a change of pace and a refuge for quiet focus.

SPEAK
EASY
BOOTH

The Speakeasy Booth offers total privacy for those important phone calls in the office. Now you don't have to walk around the office to find a quiet space to take your call. Now your conversations are exclusively between the two of you. Acoustic foam ensures that the booth is insulated and private. The booth has a full length glass door and internal lighting, There is a shelf for pencils and note books. So go ahead and make your calls in peace and quiet.
